Hello. We have a Miele Oven H316B. Last weekend our oven handle fell off. It's the first thing to ever go 'wrong' with the oven. We read the manual, and so tool apart the door. Washed the 3 panes of glass and then forgot which way the glass panels should face. It seems the glass panel on the outside is obvious.

Miele is a premium brand of household appliances, which specialises in big ticket items like dishwashers, washing machines and ovens. Being a high-end brand means you'll likely pay a higher price for your new piece of kit, but Miele has a reputation for providing great value for money as consumers see the benefit of investing in appliances that do a great job and last for a long time.
