## Millennials

Millennials, also known as Generation Y (or simply Gen Y), are the demographic cohort following Generation X and preceding Generation Z. Researchers and popular media use the early 1980s as starting birth years and the mid-1990s to early 2000s as ending birth years, with 1981 to 1996 a widely accepted defining range for the generation.

## Millennials - Wikipedia

Millennials characteristics. Millennials have been characterized in a number of different ways. On the negative side, they've been described as lazy, narcissistic and prone to jump from job to job.

Javelin Research noticed that not all Millennials are currently in the same stage of life. While all millennials were born around the turn of the century, some of them are still in early adulthood, wrestling with new careers and settling down, while the older millennials have a home and are building a family.

### **Boomers, Gen X, Gen Y, and Gen Z Explained**

Millennials are financially unable to purchase a home. While millennials are saving their money for retirement and their first home, debt makes it difficult for millennials to buy their first home right away. Aside from that, many millennials are waiting to buy their first home until they are financially stable, even before they get married.
