## Telemarketing Made Easy The Ultimate

All of these closing techniques can work well, but the true secret to improving your sales technique is learning when to use them. Every call is different and using the right close in the right situation is a sure fire way to not only improve your results but to also get and keep satisfied customers!

## 9 Telemarketing Closing Techniques that Actually Work | VSL

A good rule of thumb for b2b telemarketing is 100 calls per 7-hour day. However, it's dangerous to assume that this is correct in every case. If you're having really engaged conversations, the ratio can drop to 70 calls / day. If it's voicemail city, then you should be up in the 140 calls/day bracket.
