a number of strategies that you should think about when changing jobs. Every job change leads to a change of organization, manager or responsibilities, and it is important to analyse how you have to adapt your own behaviour and actions in order to be at least as successful in this new role as in your previous role.

## **The First 90 Days - M.Watkins (summary) | MudaMasters**

The President of the United States gets 100 days to prove himself; you get 90. The actions you take during your first three months in a new job will largely determine whether you succeed or fail. Transitions are periods of opportunity, a chance to start afresh and to make needed changes in an organization.
